Q&A using Slido

Q&A will be using Slido (<https://sli.do>)

Event code: #PVPMC23

Please begin your question with #SpeakerName

- e.g., “#Stein: What time is lunch?”

4

2023 PVPMC Workshop in Mendrisio, Switzerland: Nov 8-9, 2023

- Hosted by SUPSI (Swiss University of Applied Sciences) – They are a world leader in integrated PV (e.g., BIPV) and performance testing.
- Mendrisio is ~1 hr by train from Milan, Italy and SUPSI is located next to the train station in a new building.
- Special Focus Areas: digital twinning, modeling of BIPV
- Details will be available on the PVPMC website in early June.
